Hon. Paul Papalia CSC, MLA
Minister for Tourism

The McGowan Government is a proud sponsor of Channel 7 Mandurah Crab Fest through Tourism WA's Regional Events Program.

The program supports medium to large regional events across the State to boost tourism, increase community vibrancy and participation, and develop regional areas.

The Regional Events Program plays an important role in positioning Western Australia as an exciting destination to visit and a great place to live by showcasing and promoting a region's unique and diverse attractions.

Hon. Alannah MacTiernan MLC
Minister for Regional Development

Tourism is a key part of the Government's plan to diversify the economy, create jobs and develop business opportunities, especially in regional Western Australia.

Events play an important role in this plan with the Government sponsoring a range of sporting, cultural, arts and culinary events across the State, through Tourism WA, to attract more visitors, encourage them to stay longer, disperse further and do more while they are here.

We hope everyone enjoys the event and takes the time to explore the Peel Region.

EMMA BLYTH

My favourite time of the year in Mandurah!

Our annual Crab Fest is a great time to visit and sample some delicious crab dishes, awesome music and entertainment.

My artwork for this year's Crab Fest revolves around our beautiful Mandjar Bay. There is a real community connection to it and it really is the heart of Mandurah. I love creating an artwork for the event to showcase our beautiful city and of course our good old blue manna crab.

I have raised over \$22,000 over the years through the Crab Fest artworks. The money raised last year went directly to Mandurah Primary School. It is an awesome experience to be able to donate locally and to see firsthand how it helps at the school.

Another exciting part of Crab Fest is being able to set up a pop-up gallery on the foreshore. Come and say hi! I would love to see you there!
